Brief Report:

Music is arguably the most life-enriching academic subject of them all. A universal language that triggers emotional responses and kick starts creativity like no other, music is a fundamental pillar of arts education. Improved memory is another well-established benefit of music in education. Learning an instrument, the language of music and the notes and lyrics that make up songs all require a flexing of memory. Music is also one of the easiest things to store in your memory, often to our frustration. Songs get stuck in our heads, sometimes for days; a perfect display of how music can stick in our minds.

In view of this, Under the '*Avishkar Snehmilan*' Dept of Music organized *Solo song competition* for college students on 30/01/2025. Total 18 students of Every faculty were involved. Principal Dr.P D Pawar and Prof.Rajendra Ghorpade was guest, The Jury of this competition was Dr.Nitin Raut & Dr.Dadarao Upase.
