Brief Report on Ecofriendly Rakhi making competition.

Department of Botany in collaboration with Women cell organized the “Ecofriendly Rakhi making competition on 20 August 2024. Rakhi is an auspicious festival in India, in this festival girls used to tie a Rakhi to their brothers, earlier these Rakhi were made up of Silk but now a days many plastics and sponges and environmentally hazardous materials are used to make decorative Rakhi. The purpose of the competition was to encourage students to use eco-friendly articles for Rakhi making, and to develop their creative skills in making decorative Rakhi with ecofriendly material.

This competition is the regular event of women cell and Botany Department of college. Principal of college Dr. Prakash pawar Sir visited the competition and boost their creativity by his inspirational talk in this competition, students were asked to prepare ecofriendly Rakhi and submit and present it Infront of Judges, then among 30 Participants there were 3 winners 1st 2nd and 3rd were declared, each winner got the winning Certificate Students submitted decorated Rakhi with creative ideas such as using leaves, flowers, grains, cotton, etc. Miss Payal Chaudhari (B.Sc. IIIst year student) secured Ist rank, Miss. Pinki Pathade (B.A. II year) got 2nd rank, and Miss. Kalyani Mundafale (11th Science) student secured 3rd rank in this competition. Winners get awarded on International Women’s Day.

Principal Dr. Prakash Pawar sir and Dr. Nitin Raut (Head of zoology Dept.) Dr. Smita Gudadhe (Head of Botany Dept) and Ms. Manasi A. Joshi (convener of the Women cell) and faculty member of the department of Botany. Dr. Shailesh Bansod and Mr. Surendra Sinkar faculty members of the Department of Botany made a final judgment on the competition. Students of all faculties participated in this competition. After competition student tied rakhi to trees for “Vruksh Raksha Bandhan”, Overall, this competition helps the student to improve their creative skills and awareness about environment, students also learn to create best from waste.

Guest Lecture

On the Topic

**Awareness about the Cervical Cancer and
Vaccination**

Organized by

Women Cell

The Women Cell organized a special talk on **“Awareness about Cervical Cancer and Vaccination”** on 10th March 2025 for the girl students and the ladies from the nearby villages of Inderwada and Bharsingi. Dr. Rupali Darak was the Chief Guest, and Dr. P. D. Pawar, Principal of the college, was the Chairman of the program. The main objective behind organizing such a guest lecture was to make the students aware of the causes, symptoms, and vaccination for cervical cancer. Many women in the country suffer from such diseases, but they do not know how to cure them or what type of precautions should be taken to prevent such infections. In villages, there is a need to conduct such awareness programs regarding cancer, especially for women. Hence, Mrs. Manasi Joshi, Convener of the Women Cell, took the step to create awareness among the girl students of the college and women from Inderwada village as a preventive measure.

The program started with the floral welcome of the guest. Ms. Manasi Joshi briefed the idea about the workshop. After that, Dr. Rupali Darak delivered the lecture on **“Cervical Cancer – Causes, Symptoms, Preventive Measures and Vaccination”** and guided the students. Her team also presented a PowerPoint presentation and cleared the doubts regarding this disease. Dr. Sadhana Jichkar, Dr. Rita Walke, Dr. Smita Gudadhe, Dr. Megha Raghuvanshi, Dr. Anjali Gharpure, and other members of the Women Cell attended and listened to the lecture very carefully.

At last, the program concluded with the vote of thanks by Dr. Megha Raghuvanshi, the Executive Member of the Women Cell. The program was successfully conducted by the Women Cell and received a huge response from the girl students and women of the villages.
