Department of Botany

The Department of Botany, Arvindbabu Deshmukh Mahavidyalaya, Bharsingi organized a guest lecture on 3 March 2025 on the topic “Vermicomposting: Methods and Its Applications” which was delivered by Dr. Pravin Kale, Assistant professor, Department of botany, Model college, Karanja (Ghadge), Wardha. The main objective behind this guest lecture was to make the students aware about the topics related to their syllabus and sustainable agriculture by the use of organic methods of farming and how to increase the fertility of soil and increase the productivity through Vermicomposting. The R.T.M.Nagpur University also included some skill based topics in skill development units in UG Syllabus and therefore the information about that with its demonstration practically as well as through PowerPoint presentation was another side of the lecture. The welcome of the guest was done by offering a floral buckeye. The guest lecture was started with the words of Dr. Smita Gudadhe, Head, Department of Botany. In her speech she focused on the importance of organization of guest lectures on syllabus related topics. Dr. Pravin Kale delivered the informative talk and guided the students with the detailed contents of the said topic and for that the Botany Department is always thankful to him. Dr. Shailesh Bansod and Ms. Manasi Joshi, faculty members of the department took efforts to organize this guest lecture and Mr. Surendra Sinkar concluded the program with his vote of thanks. Through the guest lecture all the students get motivated and benefited with all the contents of the lecture. The other faculty members were also present for lecture.

Academic Session 2024-25

Department of Chemistry

Name of Activity	Guest Lecture for B.Sc. students
Date and Time of activity	Date-01/03/2025 Time-11a.m-12.30pm
Activity organized under committee/cell	Department of Chemistry
SpeakerName	Mr. Amit R. Yaul Associate Professor and Head Department of Chemistry, Narayanrao Kale Mahavidyalaya, Karanja, Dist-Nagpur.
Topic	Nuclear Magnetic Resonance Spectroscopy (NMR)
Number of students participate	50
Number of faculties participate	12

Brief Report

Objective

- ✚ To know what are the opportunities after graduation in chemistry.
- ✚ To know various roots in higher education after graduation in Chemistry.
- ✚ To know how to interpreted the structure of molecule by NMR spectroscopy.

The Department of Chemistry of Arvindbabu Deshmukh Mahavidyalaya, Bharsingi had arranged guest lecture on “Nuclear Magnetic Resonance Spectroscopy” on 28th February 2025 for B. Sc. final year students as well as for the second year students and first year students. The resource person was Dr. Amit R. Yaul, Associate Professor and Head Department of Chemistry, Narayanrao Kale Smruti Mahavidyalaya, Karanja (gh), Dist-Nagpur. The lecture began at 11:00 am and concluded at 12.30 pm. Total 50 students and 12 faculties of science department were actively participated in the guest lecture. The speaker guided thoroughly to the students about various opportunities after completion of his graduate. He touched the discussed the job opportunities after graduation and importance of post graduation courses. Similarly, also discussed regarding the various scholarship available for higher education in different streams.

After his lecture the students were interacted with him about the difficulties of Nuclear Magnetic Resonance Spectroscopy and regarding their job in Government and also in private sectors. Students felt that the session was more informative and interactive. Student’s opinion that the guest lecture will be helpful for them in future for job. The session concludes with vote of thanks and the feedback from the students.

GUEST LECTURE
ON 18th MARCH 2025

TOPIC: **IMPACT OF U.S. TARIFF POLICY ON THE INDIAN ECONOMY**

Guest:
Dr. Chandrashekhar Farkade
Assistant Professor & HOD, Department of Economics
Hislop College, Nagpur.

Organized By
Department of Economics

Brief on Guest lecture :

The Department of Economics at Arvindbabu Deshmukh Mahavidyalaya, Bharsingi, organized a guest lecture as part of its academic enrichment activities for the session 2024–25. The event was held on 18th March 2025 at 10:00 AM and focused on the highly relevant topic, “Impact of U.S. Tariff Policy on the Indian Economy.” The guest speaker invited for the session was Dr. Chandrashekhar Farkade, Assistant Professor and Head, Department of Economics, Hislop

College, Nagpur. Dr. Farkade, a well-known economist and researcher in international trade and macroeconomic policy, shared valuable insights on the complex dynamics of global trade relations and their effects on emerging economies like India.

In his lecture, Dr. Farkade traced the historical evolution of the U.S. tariff policy and how it has shifted from free trade orientation to protectionism in recent years. He discussed key trade policies implemented by the United States in the context of global economic restructuring, focusing particularly on tariff hikes on steel, aluminum, and technological goods. These measures, he explained, have far-reaching implications for developing nations, including India. The lecture analyzed the impact of U.S. tariffs on Indian exports, especially in sectors like textiles, pharmaceuticals, and information technology, where India enjoys a comparative advantage. Furthermore, Dr. Farkade elaborated on how such trade barriers have influenced India's balance of trade, foreign exchange reserves, and domestic market competitiveness.

Additionally, the lecture addressed the broader geopolitical aspects of trade wars, including the U.S.-China trade tensions, and how India is navigating this complex environment by entering into new bilateral and multilateral trade agreements. Dr. Farkade highlighted the policy responses by the Indian government, such as the Atmanirbhar Bharat Abhiyan, Production-Linked Incentive (PLI) schemes, and diversification of trade partnerships, aimed at reducing dependency on traditional markets and boosting domestic production capabilities.

The session was attended by a total of 30 students, comprising 20 girls and 10 boys, along with 5 faculty members from the college. The students actively engaged in a Q&A session at the end, raising thoughtful questions about global trade disruptions, inflation, job markets, and India's long-term economic strategy. The session was not only intellectually stimulating but also highly relevant in the context of current global economic challenges. The Department of Economics expressed heartfelt gratitude to Dr. Chandrashekhhar Farkade for delivering such a comprehensive and enlightening session that greatly enriched the academic knowledge of the participants.

DEPARTMENT OF ENGLISH

Session 2024-2025

Department of English Arvindbabu Deshmukh Mahavidyalaya Bharsingi accomplished programs and activities throughout the whole session. The academic session 2024-2025 was a very fruitful year for the English department of ADM Bharsingi.

The session was started from 16th of June 2024 initially the admission work was completed. The students who cleared their HSSC exam got admission in this Degree College in the Arts, Commerce and Science stream. The teaching of second and final year was already started.

The first program principal address was arranged to the fresher's. All the students and professors were present on the occasion. In the first session two regular unit test and first terminal examination have been conducted. In the second session another two unit test and terminal examination have been taken. The result was displayed on the display board.

The first event the department was celebrated independence days on 15th August. English Department organized one day orientation programme for fresher students of all faculty on 13th Sept. 2022. The students got vivid ideas about the English syllabus, curriculum, rules and regulations of the college through this orientation programme. Extra classes have been arranged for the advanced students and weak students in the first semester. On 10th October 2024 guest lecture was organized under topic "English Communication Skills". Prof. Suhas Morey, Assistant Prof. SPM. Science and Gilani Arts and Commerce College Ghatanji Dist Yawatmal was the resource person.

The English department provided the books regarding the English language and literature to the students to strengthen English language. The English moral stories books were also provided to the students. For better life, book regarding personality development were also provided, college magazines also given to the students of BA II, BA III, B. Com II B. Com III B. Sc II and B. Sc III years students.

The department of English undertook educational tour for the humanities students to Mahatma Gandhi Gramin Audyogikaran Sansthan Wardha on 17 Jan 2025. The tour was based on the theme “Enlarging new insight through visiting places” keeping in minds the opportunities for the students to explore an experience.

Department of English send students to other colleges to participate students seminars, conference and workshops to get inculcated research instinct to them.

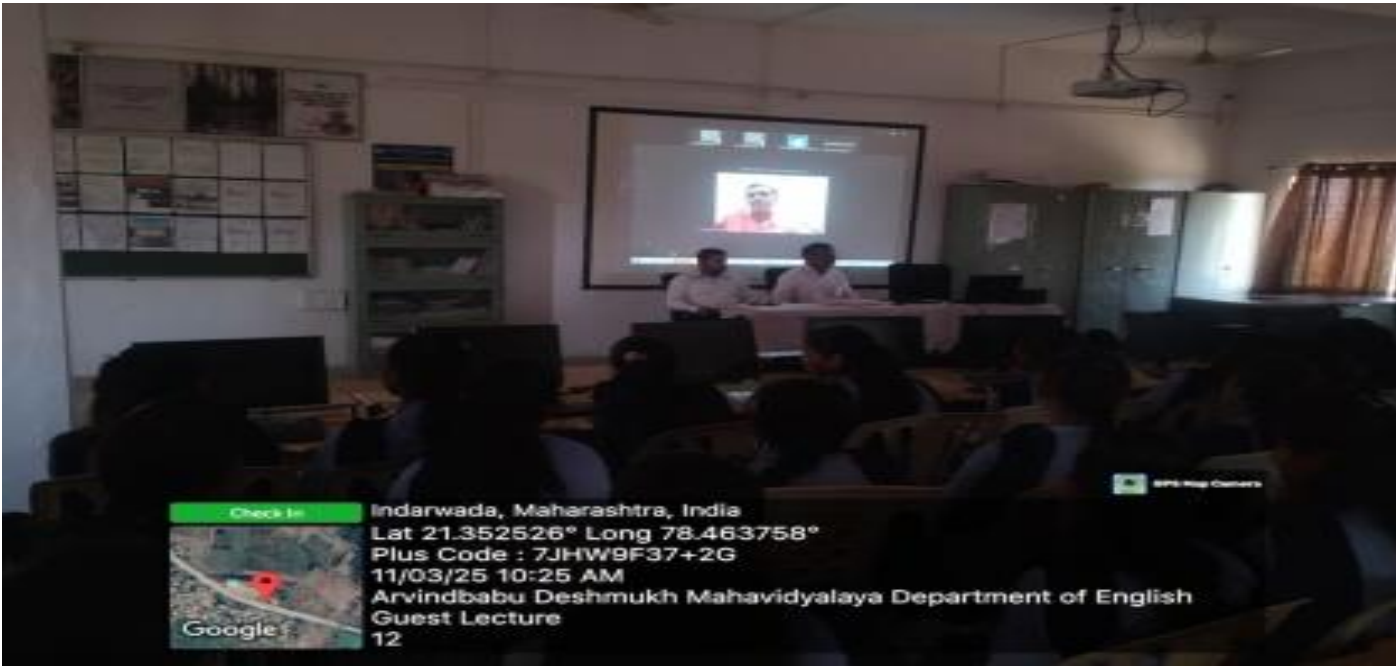

Department of English sent couple of students to Nabira Mahavidyalaya Katol to participate in college level student seminar on 12th Feb. 2025 on the topic ‘Prose, Poetry and Criticism’. Ku. Pragati Rewatkar secured 3rd prize and Ku. Akansha Kharpuriya secured 4th runner rank.

On the occasion of Late Arvindbabu Deshmukh Smruti Din on 19 September, the department of English gives the prizes as usual to the students who secure highest mark in English subject in the college.

In the second semester online Guest Lecture was organized on the topic "Personality Development Through Communicative English" on 11th March 2025. The resource person was Dr. Mohan Mendhe, Department of English, Model College, Karanja Ghadge Dist Wardha. It was an interactive live event with reputed author and poet. The Guest Lecture was so informative and the session helped students for Personality Development.

The session ended with the farewell program organized by the first and second year students.

Report-I

For semester-I students, the guest speaker Dr. Suryakant Charjan, Associate Professor from Department of Mathematics, Late K.Z.S. Science College, Kalmeshwar delivered a talk on the topic entitled DeMovire's theorem and deduction. He covered up all the concepts along with theorems of DeMovire's theorem for positive, negative integers and for fraction also and respective examples, expansion formulae of $\sin n\theta$, $\cos n\theta$ etc, hyperbolic functions during his guest lecture days. The lecture was again fruitful for the students by his talk on the examination pattern of R.T.M. Nagpur University examination, since several times the guest speaker worked as paper setter and moderator in the university.
